Kyriakos Maniatis

Structure of meetings and request of proposals

Reiner Jannssen proposed to make hybrid conference

Michiel Regelink proposed to organise dedicated physical meeting in 2024

It was agreed to look into a physical meeting for 2024.

Next meeting in September?

Kyriakos Maniatis asked whether better to have a dedicated separate meeting or organise it during the 2024 Field Trip the first week of October.

Ramakrishna YB, better in September (separate to field trip)

Paolo Corvo, better in September (separate to field trip)

Oluwaseun Oguntade, better in September (separate to field trip)

Kyriakos Maniatis proposed 7th of September.

Florent Picard asked if is possible to be represented from other people. Maniatis confirmed that it is possible.

4. Large-scale demo and commercial facilities, abandoned plants.

Kyriakos Maniatis gave a presentation. He asked advise how to improve it.

5. Carlo Hamelinck, StudioGearUp (invited): Update on RED III and ETS

Q&A on presentation

6. Guillame Boissonnet, CEA (invited): The complexity of EU Legislation

Q&A on presentation

7. Ramakrishna YB: India policy developments and an update on market deployment

Q&A on presentation

8. Field Trip 2024

Kyriakos Maniatis gave a short presentation on the 2024 Field Trip. It will concentrate in Finland. The programme is expected to be finalised within 2 week. ETA Confirmed

that the registration fees will be very similar to those of the 2023 fees. Kyriakos Maniatis said that priority will be given to the participants in the 2023 Field Trip, then the members of LCBF and then other. He asked those interested to already inform him/ETA to reserve a place.

9. Other Issue

None

10. Closing remarks

Kyriakos Maniatis, Ramakrishna YB & Paolo Corvo thanked Carlo Hamelinck and Guillaume Boissonnet for their presentations and the participants for their deliberations. They said they hoped the meeting was fruitful for all and hope to see all again in the 7 September meeting.
